

A world map with a white background, showing the distribution of the 'Red' color across various countries. The map uses a color scale where red indicates a higher frequency and yellow indicates a lower frequency. Red is prominent in North America (USA, Canada), South America (Brazil, Chile, Argentina), and parts of Europe (UK, France, Germany), Africa (South Africa, Egypt, Sudan), and Asia (India, China, Australia). Yellow is seen in countries like Russia, Canada, and parts of Europe and Africa.
